

PROSECCO DOC ROMEO

EXTRA DRY

THE HILLS OF PROSECCO UNESCO HERITAGE

THE PROSECCO VINEYARD SPREAD FIRST IN THE GORIZIA AREA, THEN, PASSING THROUGH VENICE, IN DALMATIA, IN THE VICENZA AREA AND IN THE TREVISO AREA.

OVER THE CENTURIES, PRODUCTION IN THE AREA OF ORIGIN HAS DECREASED, WHILE IT HAS DEVELOPED MORE AND MORE IN THE SURROUNDINGS OF TREVISO AND IN PARTICULAR IN THE HILLS OF CONEGLIANO, ASOLO AND VALDOBBIADENE.

THE WORD "PROSECCO" APPEARS FOR THE FIRST TIME IN THE SMALL POEM "IL ROCCOLO DITIRAMBO", COMPOSED IN 1754 BY VALERIANO CANATI "...

AND NOW I'D LIKE TO PUT MY BEAK IN THAT APPLE-SCENTED PROSECCO ...".

FROM 7 JULY 2019, THE PROSECCO HILLS ARE A WORLD HERITAGE SITE.

LOVE, LOVE
